CORTINERÍA

KIT MOTORIZADO PARA CORTINAS CON CONTROL Y WIFI

☑KIT RIEL MOTOR BLANCO. H/ 5.20 MTS - (80 W-2.5 N/60 KG)

Permite motorizar cortinas de manera práctica, convirtiendo un sistema de apertura manual en una solución automatizada. Está pensado para facilitar la instalación y brindar mayor comodidad en el uso cotidiano de las cortinas.

Su sistema eléctrico permite abrir y cerrar la cortina de forma automática. Además, el kit motorizado cuenta **con doble sistema de control**: se puede manejar de forma práctica mediante un **control remoto tradicional o conectarlo a la red Wi-Fi** para operarlo directamente desde el celular o integrarlo a sistemas de automatización del hogar.

1. Parámetros del motor

Parámetro	DIY Electric Curtain Kit
Voltaje	100-240VAC750Hz
Potencia	80 w
Torque	2.5N
Peso	hasta 60 kg

KIT INTEGRAL DE RIELES MANUALES

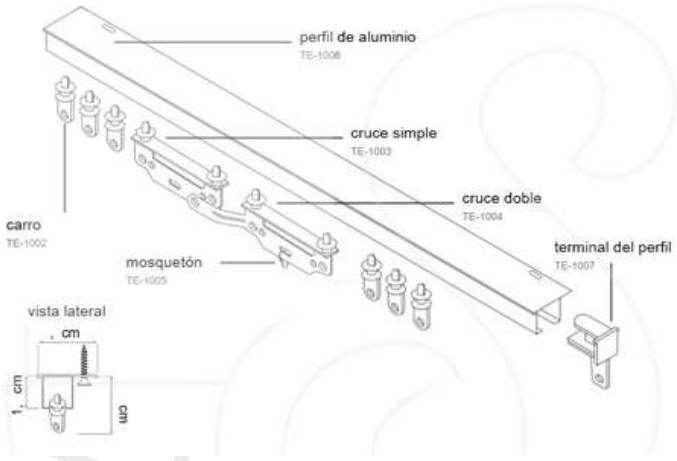

Sistema completo para la instalación y desplazamiento manual de cortinas textiles. Diseñado para lograr un funcionamiento suave, práctico y preciso, con una estética discreta que se adapta a diferentes ambientes y estilos de cortina.

Ofrece una alternativa confiable para proyectos que buscan practicidad, buen funcionamiento y una terminación prolija, sin necesidad de incorporar sistemas motorizados.
